Warmest Congratulations: We are happy indeed for Matt and Sheila Heiter, who welcomed a baby girl into the world – on Thursday, April 16. Her name is Brynlee Ann. May blessings abound for this jewel and her family! *“For you created my inmost being...I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you...when I was woven together in the depths of the earth”* (from Psalm 139:13-15). (It goes against the grain not to be helping the Heiters with meals, but they say they'll be fine without.)

Warmest Condolences: Michael Carl Kloc passed out of this world on Wednesday, April 22. Our affectionate thoughts are with his daughter Leesa Cooper and her husband Penn and their family as Mike moves fully into the spirit and rejoins his wife in the Lord's kingdom. *“My sheep hear my voice, and I know them...And I give to them eternal life; and they shall never perish, and no one shall seize them out of my hand”* (John 10:27-28). The resurrection service will be broadcast this Saturday, April 25, at 2:00 P.M., at www.kemptonnewchurch.org. If you would like to join the small group that will be there in person, please contact Brett (215-421-2487 or brett.buick@gmail.com) so he can facilitate your attendance while following the governor's guidelines around social distancing.

Sincere Condolences: Fred and Nan Darché, the parents of Gail Short, both passed away in the last several weeks – six days apart from each other. They were residing in New England, but spent enough time living in Kempton, earlier on, for us to know and become fond of them. We hold Mike and Gail and their children (Madeline, Frederick, Isabel, and Lucy, who all attended KNCS) most warmly in our hearts. May the Lord be near them at this hard time. *“I go to prepare a place for you...Peace I leave with you, My peace I give to you”* (John 14: 2, 27).

Online Arcana Class: We are hoping to do this on Tuesday, April 28, at 7:30 P.M., using Skype again as we have it set up from last time. The readings will be about the first part of Exodus 23, which begin with a short treatment on what genuine faith is. This section, as in previous classes, deals with the various laws given after The Ten Commandments themselves by the Lord from Mount Sinai. The emphasis is on how we can keep faithful to the truth, and yet in a way that has charity to those around us who may not have the truth, or have a conflicting view of the truth. We hope to cover AC 9239 through 9270. This is less reading than usual, which may help with online discussion. I will send out a digest of some of the teachings, together with discussion questions, to those who would like to join the class; if interested in attending, please let me know. As always, stay clear of them germs, be they natural or spiritual. – Andy (610-756-4415 or ahelman@knks.org)

Red Earth Farm is Back in Business: Due to a recent demand for safe local food—and due to extra time on the farmer’s hands and a plethora of seeds—we are offering weekly or biweekly boxes of produce, pre-ordered online, to our local community. Choose from a wide selection of goodies, including salad mix, asparagus, strawberries, peas, heirloom tomatoes, etc. The first box pick-up is Monday, May 18. Home delivery is available (via Malachi’s Courier Service) to Kempton folks only. We know that this is a challenging time for many families. With that in mind, our boxes will be bountiful and generous, and always come with a money back guarantee. Sign up for the weekly/biweekly boxes (and get first pick of the bounty) OR join our Farm Stand Online to order the occasional box and participate in our Annual Plant Sale. For more info go to <https://www.harvie.farm/signup/red-earth-farm> or contact Charis and Michael Ahlert (call or text 610-683-9363; info@reearthfarm.org).
