5:00 P.M., 6:30 P.M., and 7:30 P.M. Tableaux Services. Please see details below.

Going to Church: For COVID-related reasons, KNCS has sadly had to go to remote-learning for now, but those who must be in quarantine ARE in quarantine, so our ability to offer in-person church services happily continues. – Brett

Christmas Sing Postponed ‘til 2021: After much deliberation, we have decided to cancel the sing. We may not have the same opportunities to join in person this year, but we are all joined together in our hearts this Christmas season! We hope for a happy and healthy Christmas for you all and look forward to next year’s sing! – the Joyful Music team

Christmas Tableaux Update: We are excited to still be having tableaux, which this year will be outdoors with live animals! There will be several services on Sunday the 20th ONLY, none on Saturday. (See times above.) There is a need to keep attendance at each service smaller than usual. To accomplish this, a signup sheet will soon be available on the church’s website, much like for Autumn Weekends. A separate email will go out about that soon, so please look for it (and see the notice below). If when you go to sign up and possibly find the sheets to be full, please call Brett.

The services should be about 20 minutes long. PLEASE dress for very cold temperatures and prepare for any possible precipitation. Use the school-addition driveway, and you will be directed to parking.

We look forward to coming together, as we always have, to celebrate our Lord’s birth!

– the Tableaux coordinators

More on Signing Up on the Church’s Website: A change currently being made on our website will require people to register (create a username and password) before they can log on and enter their name on a signup sheet of any sort (you should be able to *view* signup sheets without logging on, but you won’t be able to *enter* anything). As soon as this change has been accomplished, we will let you know. Anyone unable to figure it out is invited to contact Carla, who is a technical wiz and will be able to help (work: 610-756-6140 or home: 610-756-4376). If you don’t want to create your own account, you can ask someone else (who has) to enter your name for you. *To reassure you, this need to log on relates to signup sheets only, not to anything else on the website, such as watching church services.*

2021 Calendars for Sale: Benefit the Kempton New Church. Beautiful photos of nature incorporating quotations from the Sacred Scripture and Heavenly Doctrines. Can be viewed in the society room after church on Sundays. Please contact Shannah McQueen (610-756-4021) to purchase. \$20 each.

The Christmas Wreath Fundraiser: A wonderful success! Forty-three festive wreaths now decorate homes all around Kempton. Heartfelt thanks to all who contributed, whether it was by donating supplies, cutting greens, wiring pinecones, fashioning ribbons, or making wreaths. KNC is truly blessed to have so many who care! - Katrin

Updated Society Address List: Attached here. If you see any mistake, please do let me know! 😊 Carla

That Little Cottage at 539 Donat Road: Available January 1. This is a good place for one non-smoking person with no pets. A/C, cable TV, and internet are available. Neighbor is nice. Please call in the evenings for details. – Curtis (610-756-6604)
