Work Party in the Woods – 12:30 P.M., Saturday, March 20: Hello everyone! I am planning a work party to clean up our Woods Church area. If any of you men of the society are able to come help out, it would be much appreciated! We will be removing a lot of debris and taking down some trees (*you are welcome to take any of the wood for firewood if you wish!*), so we need manpower to help drag everything out. *King at Your Service* is kindly providing a truck and chipper, and I will be providing refreshments (coffee and snacks of some sort). Bring work gloves if you want them, and any personal tools you think could help (rakes, chainsaws, handsaws, etc.). You can park at the church and walk down the lane across the street, or drive down and use the small parking area. *It would be great if you could let me know if you are able to come.* I can also answer any questions you may have. Thanks in advance to those who can make it!

- Laban Genzlinger

KNCS 2021-2022 Calendar: Attached

Arcana Class: 7:30 P.M., Tuesday, March 23. Nos. 9407-9442, which begin with a vision of the Lord standing on a sapphire stone. The rest of the section is about the preparation for Moses to receive the tables of stone bearing the Ten Commandments. The chapter ends with the teachings about life on planets outside of our solar system – of special interest with more and more planets being discovered every week (currently over 4,300 confirmed). I will be doing a Zoom session in the library. If you want to join in person, we may need a larger venue, so please let me know beforehand. I'll send out a Zoom link the day before and also try to call around before the class. If you might be new to the class (all are welcome), please let me know so I can send you a Zoom link by email if you need it. Hope you can make it to class. – Andy

Ministerial Move: We regard Rev. Lou Synnestvedt as “our own,” but it will be a bit longer ‘til we see him around more regularly. Though he and Aileen will be keeping Kempton as their home base, Lou says that starting this summer, he will begin “a two-year appointment as interim pastor in Boynton Beach, Florida, following three enjoyable years in the lovely Colchester, U.K.” We warmly wish the very best to the Synnestvedts with this transition.

Welcome to Jency! Jency Latta, mother to Stephanie Latta and grandmother to Phoenix, Serena, and Arabella, has moved from Bryn Athyn to Donat Road in Kempton. You are welcome to contact this office to obtain her full contact information.

Welcome Basket Warmth: Let’s (quickly!) receive Jency with a basket of goodies, as is our custom. Any time from now through **Sunday, March 28** (two Sundays from now), you are invited to 1) leave freely donated items in the church kitchen, 2) send items (addressed to me) to KNCS with a student, or 3) bring items to me by ringing the KNCS bell at anytime on a school morning. Or please call if none of the above works for you. Thanks for your support of a new neighbor. – Carla Kerr

Food Drive: Friend, Inc., a Berks County community support-services organization that operates a food pantry in Kutztown, finds they sometimes run short on food during the months following Christmas. I am going to be collecting food on a table in the Society Room from now **until Sunday, March 28**. When asked, the manager there suggested: canned meat/fish, soup, cereal, peanut butter, and personal care items such as toothbrushes, tooth paste, and shampoo, etc. But all donations are welcome! If you have any questions, you are welcome to contact me. Thank you! – Adele Jungé

Want to Use Some of Your Spring-Cleaning Energy Over at the Church and School? Just call Jen McQueen, whose list of not-hard jobs still has plenty of items on it for one or two hours of your attention on a weekend. Thanks for considering it.

Late-Arriving New Church Life: Apparently, the mailings of New Church Life have [been arriving much later] than usual, and we apologize. We are hearing that people still have not gotten their January/February issue, even though it went in the mail weeks ago. We have been told by our printer that the U.S. Postal Service has cut all overtime across the board, and this has slowed everything. Hopefully, the situation will improve soon. Meanwhile, we will make an effort to get each issue out earlier. Thank you for your patience. – Bruce Henderson, Editor
