Doctrine and Dance: Saturday, November 6, 6:00 to 8:00 P.M.

Hello Friends! College age and up and up and up invited. Married couples welcome! Come on out to the KNC Society Room and learn some country western dancing (partners not required for line dancing). The event will start with a doctrinal concept and quotes – to be discussed in breaks between dances. To help us plan for refreshments, please let us know if you plan to come. Limited babysitting will be available on premises, so please contact us about that too – ASAP if you hope to bring children. And if anyone is interested in *doing* some babysitting, please let us know! – Nathan and Vera Cole

Halloween Candy for Operation Gratitude: Too much candy, candy you don't like, want it out of your house?? We will be shipping our own extra candy to Operation Gratitude's *Halloween Candy Give Back Program*. Operation Gratitude is one of the largest and most impactful nonprofits in the country for hands-on volunteerism in support of the military, veterans, and first responders. Every year they collect Halloween candy and then package it up and send it to our military stationed all over the world. If you have extra, please feel free to put it in a box (that we will leave on the counter in the lower school supply closet) by Monday November 8, and we will ship it with our candy. Thanks! The Olmstead Family

Employment Opportunity for High School Age and Up: Our family hog farm is hiring! We are looking for an individual to help with morning, evening, and/or weekend chores. Please call if interested.
– Carrie Olmstead

Employment Opportunity: We are looking for someone who would like to periodically clean a room in our Airbnb somewhere between 11:00 A.M. and 4:00 P.M. (the days would vary). \$20/hour. It would probably take about 1 ½ hours a time. The more people interested, the more people on my list. You can always say no if it doesn't work for the day I need someone. If interested, please call or text me to talk about it! – Maggie Odhner

Recommendation: I know a Medicare supplemental (and life) insurance broker I consider to be trustworthy. Open enrollment ends December 7: I invite you to call me for details if you are interested.
– Deeb Gilbert

A Workshop about Propagating Oak Trees: 7:00 P.M., Tuesday, November 9. Kempton Fire Company Social Hall (2461 Route 143, Kempton). Sponsored by the Albany Township Environmental Council, featuring Todd Bauman (Hawk Mountain Sanctuary) and Jeff Schucker (Bailey Wood Products). Bring your own acorns. Other supplies provided. "Open to all. Bring the kids!!!"
