Hopefully we will be able to see both the similarity and the differences between the three entrances into the three heavens as they correspond to the three entrances into the court, the holy place, and the holy of holies, and how this relates to the three degrees of the human. We will end with the section on the Doctrine of Charity and Faith about the internal and external man (AC 9701–9709).
- Wednesday, March 16* 3:00 P.M. Ladies Handwork in the OSV lounge
- Friday, March 18* 6:30 P.M. HOLY SUPPER. *Usher:* Roy Odhner

Thank You: We just want to say THANK YOU to everyone in the community who helped us during our last-summer stay in the NICU with Arlin. From the meals, to the gifts, to the car rides/babysitting for our children, to the cards and letters, you all helped us get through a really difficult time. We couldn't be happier to live in such a wonderful community. Love to you all, and again – thank you, thank you, thank you. Love – Anders, Juliet, Desiree, Nolan and Arlin Smith

Something New! I am wanting to start a regular Women's Breakfast for ladies 18 years and over! And yes, you can bring a child if nursing and not wanting to leave a little one behind, but would be hoping to not have older children in order to provide an uninterrupted space for a get together and discussion. No babysitting will be provided. Looking to see if anyone would like to help with planning, food, or discussion topics. Please text or email me if you want to be involved. Hoping to hold the first breakfast this May!
– Juliet Smith

The Angel Project: The Angel Project is a whole-, home-, other-school art project being organized by KNCS art teachers, past and present, who are gathering artwork for it **from all the children in the KNC society (ages 0-18) who would like to participate.** The inspiration is Psalm 91:11:

“For He will command His angels concerning thee, to keep thee in all thy ways.”

Imagine perhaps 100 or more angels of many sizes, shapes, and colors—just like real angels—grouped together in a collage on one large canvas to be hung – somewhere! How amazing could that be! Some of the students at KNCS have already started making angels in art class. We first have to ask: Who are angels? What do they do? What do they wear? Perhaps they love flowers or birds or dogs. Perhaps they build houses or take care of babies. Perhaps they teach or read. Perhaps they play games, ride bikes, and run races. So many things! Angels live busy, useful lives!

Please see the attached document for details, which include media limits and the April 24 deadline for artwork. Shayne Boyesen is the contact person if you have questions.

School Pictures: KNCS parents, please look in your children’s backpacks for their school photos, which I passed out to students today. If anything seems to be missing, please contact me. – Reneé Schorran
