**Kempton Ladies!** Gray Glenn is offering a Fairy Tale class on Tuesday afternoons starting 9/19/23 from 2:50-4:00pm in the library directly following the High School Girls elective. Reserve your spot by texting or calling Heather King 484-860-0973. Below is Gray's description:

What Good are Fairy Tales? In this introductory course for ladies, we will be reading, telling and hearing Fairy Tales in such a way that could enhance being able to distinguish golden ones from baser metal, and to enjoy their nourishment more deeply.

You will need to have in your possession an approved (by me) translation of the Grimm brothers' Complete Fairy Tales. (There may well be enough copies in the community to borrow). Beyond class time, you will have reading and a few observation exercises to do, as well as sometimes preparing a Fairy Tale to tell in class. Kempton Community ladies are invited to attend as we immerse ourselves in the qualities and features of these stories boned with ancient and universal themes.
