Easter Readings from the book of Matthew will be available on Sunday, in booklet form, and on the website <https://www.kemptonnewchurch.org/Classes/EasterReadings/>

New Cushions for use on Sundays: 6 new cushions are available in the foyer for use during church. We are still working on a good way to store them, but for now they are stacked upright on the floor under the coat rack.

Easter Flowers: I am hoping to find 3 or 4 people who would enjoy organizing/processing the Easter flowers from the procession. This usually happens on Easter Monday, and takes several hours, depending on how many people there are. Call Jen at 610-756-6140 if you are interested in this use.

Save the Date! The Kempton New Church School invites you to 2 exciting events coming up in April:

Hello friends! 5k Eliza here. Are you excited to run or walk a 5k in May? Yes? Sign up, some forms are on the Society desk! NO? Want to volunteer? We need people to help on run morning! The following two rocks were left without labels in the Gallery of American States. The turquoise the black one was in South Dakota, and I'm not sure where the white stone was. If you recognize either of them, they will be in a blue basket under the middle school stairs, and you are welcome to retrieve them there.

Senior Project Fashion Show: Just a reminder that my fashion show is this Friday. All ages are welcome and remember that there will be a potluck lunch so you don't have to worry about getting kids home from school to eat. I also wanted to let you all know that in addition to displaying the clothes I made, I will be displaying the wedding dresses of a few of the married ladies in Kempton. I hope to see you there!
