**Experienced RN Available for In-Home Care:**

Are you or a loved one looking for a little extra help navigating the challenges that come with aging? I'm an RN with home health experience and am available for extra in-home nursing and caregiving work.

I can provide support with:

- Bathing and personal care
- Medication management
- Fall-risk assessment and safety recommendations
- General health observation and support
- Assistance with daily activities
- Housekeeping and home organization
- Wound care

My goal is to help families feel more comfortable and confident while allowing their loved ones to remain safe and independent at home or with family.

**If you or someone you know could use an experienced RN and an extra set of caring hands, please reach out! ~Brittany Childs 570-242-0603**

**Purple Martin House:**

We are now at \$900 of the \$1600 dollars needed for the purple martin installation for the Kempton New Church School. People of all ages will relish the reduction of flesh eating mosquitoes that these birds will consume before they fly to South America each winter. Will we have a home for them in the spring? Will they spread the news about the lovely church group we have here in Kempton? Mark

**Missing:** There was a drone that was put on the table in the pavilion next to Robertson's pond, and it has since gone missing. It belongs to Calvin Odhner. If you have any idea where it may have gone, please reach out to him.

**Bread for Sale:**

After a broken wrist hiatus, I am back to making sourdough pretty regularly. Plain loaves are \$8 and flavors are \$9 (rosemary garlic, cherry dark chocolate, cinnamon etc.) I can also do baguettes for 2 for \$8.
